

Kelseyville Business Association

General Membership Mixer

Meeting Minutes

4-1-24

The mixer was held at Kelseyville Lumber at 6:00 pm, drinks and food were provided. Helen greeted everyone as they arrived and started off the mixer by thanking everyone for coming. Helen briefly discussed the treasurer report, sponsorship, and membership. Sophie passed out the meeting minutes for March. There was a discussion for Save Kelseyville, multiple people had great input and helpful information that will hopefully be eye opening for residents. Everyone had a great time, with great food and great people. We are all excited for the next mixer.
